Rev. Chapman Goes to New Field

Rev. S. F. Chapman, of Dewitt this county, has been transferred to the Gradyville District of the M. E. Church, Sparksville, Ky., by the Bishop at the Annual Conference recently held in Covington. Rev. Chapman has been in the ministry but a short while and his first work was in the Fighting Creek Church where he endeared himself to that influential community. Then he was given the Dewitt Church and now he takes another advance and goes to the Adair County congregation.

His ability as a logical and forcible speaker, great mixer among all classes of people soon gains for him a lasting place in the hearts of any with whom he is thrown with, be it Church or business association. His rising and lasting good in church work here in Knox County has been watched with keen and appreciating interest by his legion of friends, and while this section is the looser, the entrance upon his new work will prove a mark gain for those whom he will serve as pastor for the next conference year.

Mr. Chapman moved here several years ago and worked up and down the Cumberland Valley as a District Superintendent of Agents for a Health and Incident Insurance Company and made a great success of it. He could write more insurance and make more satisfactory settlements with the insured than any man of whom we have knowledge. As a minister of the gospel, Rev. Chapman makes a great financial sacrifice for this labor of love-to work where he believes he was called—but his reward will surely come in another day.

Bro. Chapman was a short time ago made a Master Mason of Mt. Lodge No. 187 F. & A. M., and gave the fraternity a nice talk for the many courtesies extended him by the brethren, and people while living in their midst. May success crown his efforts and may peace be ever with him. Mr. Chapman leaves today with attractive and pleasing family for his new home where, too, the Old Time Religion is ever present among the people whom he will serve.

Obituary

Another good man gone to rest Brother Levi Foley died at his home on Indian Creek on Thursday night Oct. 7th, 1915 from a short attack of pneumonia fever, which met his troubled system from the drugs of a severe attack of LaGrippe which seized him and wife early last spring. On April 1 the Old Death Ship of Zion passed around and finding his beloved wife, Katharine Foley, nearing her three score and ten years with a life well spent in sowing seeds of kindness to all her neighbors and friends. The Death Bell called and she answered. Ready! and bid adieu to her only son and daughter living and her orphan grand children to meet her sons and daughters over there who have been long waiting to welcome her there to live in Paradise forever where all tears of grief and sorrow are wiped away.

A few more days and weeks of pain and distress had gone by when her beloved husband, Levi Foley heard the Heaven Bells ringing and he answered, ready! and departed this life for his reward in Paradise, which the undersigned has often heard him say so many times in life he wanted to reach and his walks in life has proved such a destination as "the tree is known by its fruits."

The orphan grand children as well as son and daughter sit not in grief and sorrow when but a few more days shall roll by the Lord will call you to that Eternal home to meet your father and mother, grandfather and grandmother to live together in Paradise in peace with God forever.

Funeral services were conducted by Rev. C. H. Peck at burial on Saturday, Oct. 9th, in the presence of a good crowd of relatives around Indian Creek from which Church he belonged most all his life.

Francis M. Rees.

Christian.

The usual services will be held at the Christian Church next Sunday. The subject of forenoon sermon will be "Christian Living," and a "New Testament Conversion," will be the subject of the evening sermon. All are invited.

Killing on Stinking Creek

On last Sunday evening James and Henry Mills, brothers, were mortally wounded by Frank and Jesse Baker, brothers. James Mills died in a few minutes from the wounds received and we are told that no hope is entertained for the recovery of Henry.

It seems that all this came up over Henry Mills taking some man's wife to a singing school, the husband taking a double barreled shot gun along went in pursuit of the said wife, and when he came to the singing school he found them together and the row started, and James, the brother of Henry Mills, took part in the fray only to give up his own life.

This particular family of the Mills' are extremely unlucky, the father of the two boys, and his cousin, were killed at the same time in the same fight; later one of the brothers of these two men and a cousin were killed in the same fight, and now these two brothers were killed in the same fight; looks as though they are destined to die in pairs.

The Baker boys have not yet been arrested but we are told that they are at their home on Stinking Creek and are making no resistance to arrest.

The Mills boys lived in this city, they came here sometime ago and bought property. Henry and his wife are separated and have not lived happily together for some time.

SOME GAME

T. H. McDaniel who has just returned from a trip to Texas, brings some good specimens of the game they have in that State. He brought with him the skins of two deer, as well as the head and horns of said deer; the heads of two or three jack rabbits and some other trophies.

Tom says that is a good country to hunt in and kill game, but it is not worth a darn to raise anything on except onions and lettuce, now who in the dickens can live on lettuce and onions? Tom says that it is a fine place at Fowlerston to save money as there is positively nothing that a man would spend it for in that country, even if he had it to spend.

We have always claimed that the Mountains of Kentucky are good enough for Kings, Princes or Potentates to live in, and as a rule all who go to other Countries either come back or wish for the good pure mountain air that we enjoy.

Dare Devil Logan

Dr. Leslie Logan, whom we have heard some call "Dare Devil Logan," because of his ventures with his automobile, made a trip from Barbourville to the residence of Sam Riley, on Hammons Fork of Goose Creek, in less than an hour one day last week. It would seem unreasonable to try it even with a horse and buggy.

After Twenty-two Years

Mr. and Mrs. Irvin Gilliam are the happy parents of a bouncing boy who came to their home last week. This is their first one, they have been married more than twenty-two years and the proud father came into town this morning all smiles and announced that he was at last called "Dad."

We hasten to congratulate the fond parents and hope that the young Gilliam will some day be President of the United States.

Must Pay For The Paper

Judge George Thomas, of Columbus, Neb. recently decided that if a man accepts a paper that is sent him he must pay for it. The decision was rendered in the case brought by the Columbus (Neb.) Telegram against a man for \$2.35. The Telegram had been sent to the man's home and he had accepted the paper. When called upon to pay for it he refused and suit was brought. When Judge Thomas heard the evidence he instructed the jury to bring in a verdict for the Telegram. Judge Thomas ruled that the old common law principle that what a man received and used he was bound to pay for applied in this instance.

GONE TO IOWA

Last Sunday night Hon. S. L. Lewis, Sheriff of this county, left for Marshalltown, Iowa, to bring back to this county one Nade Long, who is wanted by the Circuit Court for forgery. It seems that Long has, or is accused of, forging the name of W. W. Fisher and A. J. Elliott to a pay roll, whereby he deprived these two gentlemen of quite a little sum of money.

MRS. M. JOSEPH SAYS 'EXCELLENT'

Louisville Woman As-
serts Tanlac Benefit-
ed Her Wonderfully

Louisville, Ky., Oct. 14. Mrs. Minnie Joseph, wife of Louis Joseph, the well-known employe of Fontaine Ferry Park, is among the hundreds of Louisville people who recently have endorsed Tanlac. Mrs. Joseph said: "I have suffered from nervous debility several years. My system was all run down. I had nervous headaches and was generally depressed in spirits.

"I used a number of preparations in the hope of bettering my condition, but nothing seemed to accomplish the right results until I began taking Tanlac. Tanlac has proved a most excellent tonic in my case. It relieved me wonderfully. I am so much better and I willingly recommend this medicine."

Tanlac, the premier preparation, can now be had in Barbourville, at The Herndon Drug Co's Drug Store.

T. W. Minton & Son have just closed a deal for a million feet of hickory timber to be delivered at once; this means that the Hickory Mill will run full time all winter and summer. These people are hustlers and we should boost their enterprise.
